

Glue under his shoes

"Aren't you coming up?
The view is great,
we can see the lake!"
It's Oli who's shouting to him.
He has climbed up to Mads.
Emil is also on his way up to them.

Anton looks up at his friends.
Darn, why doesn't he have the guts?
But he doesn't like
being up high.
It makes him dizzy.

"Come on, Anton,"
someone shouts from the top of the tree.
"No, I can't," he answers.
"I've got glue under my shoes."
"What?"
"I HAVE GLUE UNDER MY SHOES!"
