

## **Student assignments for *Sharks***

Talk about the assignments in groups or in class.

### **Before reading the book**

1. Who wrote the book?
2. On which pages do you find *Contents* and *Read more*?

### **Can you find the answer in the book?**

1. What do sharks eat?
2. Are there sharks in Denmark?

### **While reading the book**

1. Read about the boy who had his arm bitten off by a shark. Can you find other stories about people who have been attacked by sharks? Use the Internet.
2. Why are sharks endangered?

### **After reading the book**

1. Look at the photographs in the book. Which photo is your favourite? Write or say why.
2. Look at the cover of the book and read the text on the back of the book again. Do the photographs and the text fit with what you have read in the book?  
Why? Why not?
