## *In Love with Love*

### ABOUT THE BOOK

Emma works in a store. She likes her job and she is really good at it. Emma often works with Kim. He is nice and laughs a lot and he has nice freckles on his nose. Kim says that Emma is on top of things and that he is lucky to work with her. One day, Kim says that he will treat Emma to food. Is he in love with her?

### Friendship and love

Emma thinks that it is fun to work with Kim and that he has nice freckles. "Is that the same thing as being in love?" her brother asks. He also says that it is easy to confuse friendship with love. How do you know that you are in love? Discuss in class.

### Dictation

Dictation is an exercise that is good for reading, pronunciation and listening comprehension. The students work in pairs. One student reads a sentence that the other one writes down. It is important that the person who reads, divides the sentences into parts and that he/she reads slowly. The first page is suitable for the dictation. Write on the board:
