2 White Fang was a wolf. He lived in the north of Canada. One day an Indian, Grey Beaver, took him to his village to be a sleddog. Grey Beaver sold White Fang to Beauty Smith. Beauty Smith was a cruel and lazy man. He made White Fang fight other dogs to make money. Scott rescued White Fang. Scott took White Fang to California. 3 White Fang was a wild wolf
From the north country
Howling in the icy wind
AHOOOOOOOOOOOO
Running throught the forest. Free!

White Fang fought the other days
He was fierce as fierce can be
Howling, angry, he remembered
AHOOOOOOOOOOOO
Running throught the forest. Free!

White Fang found in the end
A good home and a family
Howling, happy, he did not miss
AHOOOOOOOOOOOO
Running throught the forest. Free!
